

Planting churches in Myanmar & caring for orphans

Myanmar Mission Prayer Letter

Quarterly Prayer Letter: April, 2018

Dear Honored Prayer Partners,

Greetings to you in the precious name of Jesus. I hope that you are doing well and rejoicing in the Lord. I cannot express how much I appreciate you as we have seen God's abundant blessings come to us through your unceasing prayer.

We recently finished our combined fellowship meeting at Namhu (now we call the town Tat Oo). About 100 BP brothers and sisters from the four mission stations came together for the fellowship. And this time we had different programs for the children (Bible Presbyterian Kids), the youth (Bible Presbyterian Youth) and the women (Bible Presbyterian Women). The theme this year was: "As for me

"Pray for us as we are planning to start a new church planting."

and my house, we will serve the LORD" (Joshua 24:15b). I taught the congregation the subject of the Christian Family every morning from 8-11AM. It was really such a blessed and encouraging fellowship.

Aung Zaw Win, church planter at Tat Oo, works on church building

Rev. Kima teaches at fellowship meeting

Building the church at Tat Oo (formerly Namhu)

And now let me share with you some of the prayer requests as you are praying for us.

First, please pray for the next BP combined fellowship meeting to be held April 13-16, 2019, at Thinglei mission station. From our experience, we see that this kind of fellowship meeting greatly helps us know each other and unites us together as one body in the faith.

Second, pray for us as we are planning to start a new church planting. We see some possibilities now but are praying for the right time and the right church planter who can organize and lead people.

Third, please remember the children at the orphanage home. Pray that they may be healthy, study well, and grow in the knowledge of Christ.

Finally, pray that we may finish in due season the WRS approved module course that we offer for the church planters and the local leaders for their ordinations and effectiveness in their leadership.

Friends, thank you so much for your unfailing prayer! As the Bible says, "The effective, fervent prayer of a righteous man avails much." (James 5:16)

Sincerely in His service,

Rev. Khawl Ro Kim
